

## RENOVATION CHURCH RESPONDS TO CHARGES AGAINST DELSHAWN TRUEHEART

Buffalo, NY – Renovation Church has been informed of the charges against Delshawn Trueheart. Due to the serious nature of these charges, his employment at Renovation has been suspended. Mr. Trueheart will not be allowed to be at any activities or gatherings here at Renovation until our Local Justice System has taken its full course and has come to a final conclusion. We will then take appropriate actions at that point based on the court rulings.

As a church we ask that you pray for all involved and for justice to be served. As followers of Jesus, we always want to stand on the side of truth – no matter what.

Out of respect for all the parties involved, we will provide no further comment until the investigation is completed.
